- a. 7/5/2016 9:52 AM The board asked Bryngelson to discuss how things are going with the Weed and Pest Department and procedures with filling that position.
  - i. They have a \$65,000 BLM Grant and Edwards had it budgeted for five people to put them into County Fair time. There are grant funds to do work in Goose Creek, Cottrell, Gem Sage, Jackson, Almo, and Declo hills to treat a number of noxious weeds. They would like to carry their program forward until a replacement is hired.

  - iii. Bryngelson will follow up on GPS mapping that Edwards was doing.
  - iv. The sooner there is a weed supervisor in place the better off they will be.

Motion passed unanimously.

- d. 7/5/2016 3:38 PM Discussion of SIEDO
  - i. Kunau read a letter received from Dave Westfall for next year's investment with SIEDO in the amount of \$8,603.

  - iii. McMurray will prepare a letter to Jeff Hough to clarify membership and what our responsibilities are.

5) 7/5/2016 10:13 AM Review Calendar, Meetings, and Correspondence

- 12) 7/5/2016 9:06 AM Budget
  - a. Fair Board

- i. Crane felt uncomfortable after last week about the following matters and wanted to bring them to be reconsidered. He invited the Fair Board and said he felt strongly about that as we have been involved with the county fair for 106 years. He didn't feel they could survive cutting their finances drastically and desired to revisit that. Fair Board President Paul Marchant was invited to address the board.
  - 1. Marchant read statements they had prepared regarding the Clerk's Office analysis which stated "problematic management and financial oversight disadvantaged the success of the important yearly and taxpayer-supported Cassia County Rodeo and Fair."
  - 2. Marchant extolled the value of the Cassia County Fair and enumerated numerous volunteer services and contributions by all Fair Board members. He expressed the unfairness of any insinuation of any carelessness that Fair Secretary-Treasurer Dan Gammon was irresponsible and ill-informed at best and at worst it was slanderous, libelous, and misleading.
  - 3. Larsen stated he has no control over what the newspaper prints and that statements regarding concerns with management came from the FY2015 Management Discussion and Analysis and referenced the management of the County rather than the Fair Board management.
- b. 7/5/2016 1:38 PM 5% General Reserve Discussion – Idaho Code § 31-1605
  - i. Abenroth presented this issue as a method to obtain reserves. Christensen asked for further research on the possibilities.
  - ii. Larsen pointed out potential limitations as to where those levied funds can be used and that they are at the expense of the overall limits and other levied funds.
  - iii. Abenroth also led a discussion regarding carryover money. Larsen indicated that is why he recommended a line item for carryover money that is not spent during the fiscal year.
- c. Review Various Budget Line Items Brought Forward by Departments or Board of County Commissioners
  - i. 7/5/2016 1:56 PM Discussion of Law Clerk Wage
    - 1. Christensen asked Abenroth to address non-exempt versus exempt status of a law clerk and meeting the needs of judges.
    - 2. Christensen changed his position regarding this matter. Kunau desired to maintain their decision as there isn't considerable overtime and to be fair to other employees and what's best for the county.
    - 3. Abenroth said this might make our county as the only one with a law clerk that is non-exempt. It also satisfies FLSA issues.
    - 4. A motion last board meeting was to put the Law Clerk on an hourly basis.

7/5/2016 2:03 PM **Substitute Motion:** Place the law clerk as an exempt employee and meet the requirements of the new FLSA overtime rule granting her a pay increase, **Action: Approve, Moved by** Paul Christensen – member, **Seconded by** Dennis Crane - Chairman.

Motion passed with yes vote from Dennis Crane – Chairman, yes vote from Paul Christensen – Member and a no vote from Bob Kunau

5. Kunau abstained seconding the motion as his questions were not answered about the amount of overtime the county would be dealing with and also to address fairness and what the effect would be on other deputy court clerks.
- ii. 7/5/2016 2:08 PM County Administration – County Management Fund, MF Corporation Money, eCIVIS
  1. The County Management Fund was requested to be at \$50,000 and the budget Officer Recommendation was for \$37,000.
  2. McMurray extolled the value of eCIVIS grant management software and continuing with that service at \$3,775 annually that he indicated the Budget Officer cut out. McMurray stated a potential Cops Grant at \$130,000 is a good return on the money if granted.
  3. Larsen clarified that \$3,775 actually was not cut out of the recommended amount as the Auditor’s Office used the highest of five years and added a buffer to that in coming up with the recommended \$37,000.
  4. McMurray indicated unknowns regarding Gateway West and \$5,000 committed already to Doug Balfour is also a concern for consideration. A voice of warning from McMurray was the future of that may include the need for liquidity to react to in potential lawsuits if that goes forward to protect the county.
  5. The historical request of \$50,000 was McMurray’s recommendation. The Budget Officer recommendation was not based on historical requests but rather on historical expenditures to assist freeing up allocations in the budget for the Justice Fund where needs are the greatest. Liquidity would not be affected as there is about \$1.5 million in the Current Expense Fund. Larsen said if a need arose, the board could amend the budget as they felt necessary for costs with Gateway. Those projected costs were not included with the department request in May.

7/5/2016 2:16 PM **Motion:** Leave fund balance at \$50,000, **Action:** Approve, **Moved by** Paul Christensen - Member, **Seconded by** Bob Kunau - Member.  
 Motion passed unanimously.

6. Evans asked where the revenue allocation would come from for the difference between the Budget Officer recommendation of \$37,500 and the \$50,000.
7. The board asked for the increase of the \$12,500 to be noted from the motion as they work through a number of other items.

13) 7/5/2016 3:20 PM Indigent Matters

7/5/2016 3:20 PM **Motion:** To consider Indigent matters of a personal nature that are exempt from disclosure under Idaho Code § 74-106 (6), **Action:** Enter Executive Session under Idaho Code § 74-206 (1) (d), **Moved by** Bob Kunau, Member, **Seconded by** Paul Christensen, Member.

**Vote:** Motion carried by unanimous roll call vote (**summary:** Yes = 3).

**Yes:** Bob Kunau, Member, Dennis Crane, Chairman, Paul Christensen, Member.

7/5/2016 3:33 PM **Motion:** Act on the recommendations of the Social Services Director as presented, **Action:** Approve, **Moved by** Paul Christensen, Member, **Seconded by** Bob Kunau, Member.

#### **SCHEDULED INFORMATION AND ACTION AGENDA ITEMS**

- a. Bowen detailed proposed changes from a requested cost review of our health insurance offerings and costs. He suggested dropping "Plan A" and having the 12 employees on that plan move to one of the other three available.
- b. The Executive Benefits Committee all concurred with that suggestion.

7/5/2016 9:42 AM **Motion:** Under the insurance plan with Bowen Insurance Group and MBA, that we eliminate Plan A and allow those 12 employees participating to have the option to join the rest of the county in Plan B, C, or D going into effect on 01/01/2017, **Action:** Approve, **Moved by** Paul Christensen - Member, **Seconded by** Bob Kunau - Member.

- c. The Auditor's Office will notify those 12 employees to make sure and attend open enrollment and Bowen Insurance will provide adequate training regarding their options in the change.
- d. Bowen reported the Benefits Trust Fund Balance is currently at \$1,693,452, which reflects a significant increase with the introduction of the ELAP program. Based on that, Bowen encouraged the county and the employees to have a 0% increase for 2017 which will eliminate the original 3% that was considered.

7/5/2016 3:35 PM **Motion:** Hold the line on health insurance premiums to a 0% increase for FY2017, **Action:** Approve, **Moved by** Paul Christensen - Member, **Seconded by** Bob Kunau - Member.

Motion passed unanimously.

- f. Bowen reported that money needed from the PILT Fund in the amount of \$212,000 sometime back is available to either return to that fund or do with as the Board prefers.
- g. Crane asked if that money would be available for the budget.
- h. Christensen recommended returning that amount back to the PILT Fund as a reserve to be used for any future unforeseen event to give the board flexibility to move the money where needed. He indicated we have tapped into all resources available along the way and this would give us a little cushion. Kunau concurred and referred to elimination of the building fund that could be restored.

7/5/2016 9:51 AM **Motion:** Take \$212,000 out of our Health Benefits Trust Plan and put it back into PILT Fund as discussed, **Action:** Approve, **Moved by** Paul Christensen - Member, **Seconded by** Bob Kunau - Member.

- a. Parcel RP09S25E090100 – Steven Neilson, property owner
  - i. Steven Neilson as well as Mart Adams and Barney Greener from the Assessor's Office were sworn in by Clerk Larsen.
  - ii. Neilson provided testimony stating he felt his property assessment should not be considered river property as there is a pasture between his home and the river.
  - iii. The Assessor's Office provided a copy of the Appeal Form, Assessment Notice, Google map of property, and Comparison of like properties.

- iv. Based on information provided regarding vacancy of the towers, Greener felt it appropriate to take time to re-evaluate the matter.
- v. Abenroth recommended the hearing remain open and revisit the matter at 10:00 a.m. Monday, 07/11/2016.

18) 7/5/2016 11:30 AM Modifications, Updates, and Requests Concluding the FY2017 Budget Officer Recommendations of the following:

- a. Health Insurance Allocation Revisions
  - i. Larsen said the reduction in health insurance allocations frees up \$67,494 to reallocate.
- b. Law Enforcement Allocation Revisions
  - i. Recommendations of the Budget Officer would include allocations for law enforcement vehicles.
  - ii. Heward asked for a forensic audit of the Auditor's Office and to shift budgetary amounts in the Clerk of the Court budget to his budget to meet their needs.
  - iii. Lieutenant Jason Rogers reported on a discrepancy in "A" budget requests for Patrol compared to the Auditor's Office amounts. He said that also didn't appear to include differential pay considerations. Rogers will work with the Auditor's Office to verify amounts and for differential pay inclusion.
  - iv. Evans explained Budget Officer recommendations for "A" budgets as they are by direction of the board. That was to be entertained after addressing "B" budget requests. She also said there had been no requests for promotions or pay increase for POST included in their requests that they may need to consider.
  - v. Heward asked for the board to consider a \$1.00 per hour increase for each employee instead of a \$0.50 per hour increase as presented as additional funds have been identified.
- c. Other allocations recommended by the Budget Officer included to restore some funding to the County Building Fund that has been depleted.
- d. Accounting Setup and Requests to Complete County and City of Burley Law Enforcement Allocations
  - i. Separate duplicated accounts were recommended for allocation of the agreed amount of \$1,513,160 related directly to the City of Burley Law Enforcement Agreement. The board concurred. "A" and "D" budget amounts would be deducted from that amount as allocated and the remaining to be allocated in "B" budgets at the discretion of the Sheriff's Office as needed. The board already decided that would be the case.
- e. County Fair Taxing Authority Budget Information Request to Make FY2017 Levy Modifications Regarding:
  - i. Maintenance and Ordinary Operations (IC § 22-206 - .0001% levy limit), Maintenance of Exhibits (IC § 31-823 - .0002% levy limit), and Cumulative Levy Limit (IC § 31-823 - .0002% levy limit)

1. Larsen extolled the service of the Fair Board and recommended utilizing both taxing authority funds to accumulate in reserve for long term capital improvements such as the grandstands.
2. The Budget Officer withdrew previous recommendations to include capital improvements from the Current Expense Fund after reviewing what other counties do.
3. The Auditor's Office has not been critical at how the Fair Board navigates as they have not seen their financial records or budget.
4. Larsen stated many goals of the Fair Board can be satisfied by following IC § 22-206 under the direction of the board and the advice of the County Attorney.

7/5/2016 12:12 PM **Motion:** Recess until 1:30 p.m., **Action:** Approve, **Moved by** Paul Christensen - Member, **Seconded by** Bob Kunau - Member.
